

### **2834010-3 Information**

ener.com

For Reference Only

**Part Number** 2834010-3

Manufacturer TE Connectivity AMP Connectors

Category Connectors, Interconnects

Solid State Lighting Connectors - Contacts

**Description** CONN SSL POKE-IN CONT 20-24AWG

Package -

# **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## 2834010-3 Specifications

Manufacturer Part Number       2834010-3         Manufacturer       TE Connectivity AMP Connectors         Category       Connectors, Interconnects         Package       -         Series       -         Style       Board to Cable/Wire         Connector Type       Contact, Poke-In Wire         Number of Positions       1         Mounting Type       Surface Mount, Right Angle         Termination       Solder         Pitch       -         Wire Gauge       20-24 AWG         Features       -         Contact Finish       Tin         Contact Material       Copper Alloy         Fastening Type       -         Housing Color       -         Housing Material       -         Operating Temperature       -40°C ~ 125°C		
Category Connectors, Interconnects Solid State Lighting Connectors - Contacts  Package - Series - Style Board to Cable/Wire Connector Type Contact, Poke-In Wire Number of Positions I Mounting Type Surface Mount, Right Angle Termination Solder  Pitch - Wire Gauge 20-24 AWG Features - Contact Finish Tin Contact Material Contact Material Fastening Type - Housing Color Housing Material Operating Temperature - 40°C ~ 125°C	Manufacturer Part Number	2834010-3
Package - Series - Style Board to Cable/Wire Connector Type Contact, Poke-In Wire Number of Positions 1 Mounting Type Surface Mount, Right Angle Termination Solder Pitch - Wire Gauge 20-24 AWG Features - Contact Finish Tin Contact Material Copper Alloy Fastening Type - Housing Color - Housing Material - Operating Temperature - Contact Fines - Housing Temperature - Contact Sate Lighting Connectors - Contacts - Contact Sate Lighting Connectors - Contact Sate Lighting Contact Sate L	Manufacturer	TE Connectivity AMP Connectors

Report errors?	Operating Temperature	-40°C ~ 125°C
Telport circles.		Report errors?

#### **2834010-3 Guarantees**

#### **Quality Guarantees**

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### **Service Guarantees**

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## 2834010-3 Payment Methods

### 2834010-3 Shipping Methods

If you have any question about 2834010-3, please do not hesitate to contact us!
