

**5721 Information**

For Reference Only

**Part Number** 5721  
**Manufacturer** Bourns Inc.  
**Category** Inductors, Coils, Chokes  
[Fixed Inductors](#)  
**Description** FIXED IND 250UH 8A 41 MOHM TH  
**Package** Radial

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**5721 Specifications**

|                           |                                                             |
|---------------------------|-------------------------------------------------------------|
| Manufacturer Part Number  | 5721                                                        |
| Manufacturer              | Bourns Inc.                                                 |
| Category                  | Inductors, Coils, Chokes<br><a href="#">Fixed Inductors</a> |
| Package                   | Radial                                                      |
| Series                    | 5700                                                        |
| Type                      | Toroidal                                                    |
| Material - Core           | Powdered Iron                                               |
| Inductance                | 250µH                                                       |
| Tolerance                 | ±15%                                                        |
| Current Rating            | 8A                                                          |
| Current - Saturation      | -                                                           |
| Shielding                 | Unshielded                                                  |
| DC Resistance (DCR)       | 41 mOhm Max                                                 |
| Q @ Freq                  | -                                                           |
| Frequency - Self Resonant | -                                                           |
| Ratings                   | -                                                           |
| Operating Temperature     | -55°C ~ 105°C                                               |
| Frequency - Test          | 1kHz                                                        |
| Features                  | -                                                           |
| Mounting Type             | Through Hole                                                |
| Package / Case            | Radial                                                      |
| Supplier Device Package   | -                                                           |
| Size / Dimension          | 0.875" Dia x 0.437" W (22.22mm x 11.10mm)                   |

Height - Seated (Max)

## 5721 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## 5721 Payment Methods

## 5721 Shipping Methods

If you have any question about 5721, please do not hesitate to contact us!
