

**AD5206BRZ10 Information**

For Reference Only

**Part Number** [AD5206BRZ10](#)  
**Manufacturer** Analog Devices Inc.  
**Category** Integrated Circuits (ICs)  
[Data Acquisition - Digital Potentiometers](#)  
**Description** IC DGTL POT 256POS 10K 24SOIC  
**Package** 24-SOIC (0.295", 7.50mm Width)

| Taper                           | Linear                                                                                 |
| Configuration                   | Potentiometer                                                                          |
| Number of Circuits              | 6                                                                                      |
| Number of Taps                  | 256                                                                                    |
| Resistance (Ohms)               | 10k                                                                                    |
| Interface                       | SPI                                                                                    |
| Memory Type                     | Volatile                                                                               |
| Voltage - Supply                | 2.7 V ~ 5.5 V, ±2.3 V ~ 2.7 V                                                          |
| Features                        | Selectable Address                                                                     |
| Tolerance                       | ±30%                                                                                   |
| Temperature Coefficient (Typ)   | 700 ppm/°C                                                                             |
| Resistance - Wiper (Ohms) (Typ) | 50                                                                                     |
| Operating Temperature           | -40°C ~ 85°C                                                                           |
| Package / Case                  | 24-SOIC (0.295", 7.50mm Width)                                                         |
| Supplier Device Package         | 24-SOIC                                                                                |

## AD5206BRZ10 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## AD5206BRZ10 Payment Methods

## AD5206BRZ10 Shipping Methods

If you have any question about AD5206BRZ10, please do not hesitate to contact us!
