## **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## **AOTF13N50 Specifications**

| Manufacturer Part Number               | AOTF13N50                            |
|--|--------------------------------------|
| Manufacturer                           | Alpha & Omega Semiconductor Inc.     |
| Category                               | Discrete Semiconductor Products      |
|  | Transistors - FETs, MOSFETs - Single |
| Package                                | TO-220-3 Full Pack                   |
| Series                                 | -                                    |
| FET Type                               | N-Channel                            |
| Technology                             | MOSFET (Metal Oxide)                 |
| Drain to Source Voltage (Vdss)         | 500V                                 |
| Current - Continuous Drain (Id) @ 25°C | 13A (Tc)                             |
| Drive Voltage (Max Rds On, Min Rds On) | 10V                                  |
| Vgs(th) (Max) @ Id                     | 4.5V @ 250µA                         |
| Gate Charge (Qg) (Max) @ Vgs           | 37nC @ 10V                           |
| Input Capacitance (Ciss) (Max) @ Vds   | 1633pF @ 25V                         |
| Vgs (Max)                              | ±30V                                 |
| FET Feature                            | -                                    |
| Power Dissipation (Max)                | 50W (Tc)                             |
| Rds On (Max) @ Id, Vgs                 | 510 mOhm @ 6.5A, 10V                 |
| Operating Temperature                  | -55°C ~ 150°C (TJ)                   |
| Mounting Type                          | Through Hole                         |
| Supplier Device Package                | TO-220-3F                            |
| Package / Case                         | TO-220-3 Full Pack                   |
|  | Report errors?                       |

#### **AOTF13N50** Guarantees

Quality Guarantees

We provide 90 days warranty. \* If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

# SERVICE BUARANTEE

#### **Service Guarantees**

We guarantee 100% customer satisfaction. Our experienced sales team and tech support team back our services to satisfy all our customers.

#### 

If you have any question about AOTF13N50, please do not hesitate to contact us! Website: https://www.heisener.com E-mail: salesdept@heisener.com
