| Package                         | -                                  |
| Series                          | -                                  |
| Type                            | Laminated Core                     |
| Voltage - Primary               | 115V                               |
| Voltage - Secondary (Full Load) | 28V                                |
| Current - Output (Max)          | 175mA                              |
| Primary Winding(s)              | Single                             |
| Secondary Winding(s)            | Single                             |
| Center Tap                      | Yes                                |
| Power - Max                     | 4.9 VA                             |
| Mounting Type                   | Chassis Mount                      |
| Termination Style               | Wire Leads                         |
| Size / Dimension                | 60.33mm L x 38.10mm W              |
| Height - Seated (Max)           | 34.93mm                            |
| Voltage - Isolation             | 1500Vrms                           |
| Weight                          | 0.4 lb (181.44g)                   |
|                                 | <a href="#">Report errors?</a>     |
