

**L4973D5.1 Information**

For Reference Only

**Part Number** [L4973D5.1](#)  
**Manufacturer** STMicroelectronics  
**Category** Integrated Circuits (ICs)  
 PMIC - Voltage Regulators - DC DC Switching Regulators  
**Description** IC REG BUCK ADJ/5.1V 3.5A 20SOIC  
**Package** 20-SOIC (0.295", 7.50mm Width)

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**L4973D5.1 Specifications**

|                              |                                                                                                     |
|------------------------------|-----------------------------------------------------------------------------------------------------|

| Category                     | Integrated Circuits (ICs)<br><a href="#">PMIC - Voltage Regulators - DC DC Switching Regulators</a> |
| Package                      | 20-SOIC (0.295", 7.50mm Width)                                                                      |
| Series                       | -                                                                                                   |
| Function                     | Step-Down                                                                                           |
| Output Configuration         | Positive                                                                                            |
| Topology                     | Buck                                                                                                |
| Output Type                  | Adjustable (Fixed)                                                                                  |
| Number of Outputs            | 1                                                                                                   |
| Voltage - Input (Min)        | 8V                                                                                                  |
| Voltage - Input (Max)        | 55V                                                                                                 |
| Voltage - Output (Min/Fixed) | 5.1V (5.1V)                                                                                         |
| Voltage - Output (Max)       | 50V                                                                                                 |
| Current - Output             | 3.5A                                                                                                |
| Frequency - Switching        | 100kHz ~ 300kHz                                                                                     |
| Synchronous Rectifier        | No                                                                                                  |
| Operating Temperature        | -40°C ~ 150°C (TJ)                                                                                  |
| Mounting Type                | Surface Mount                                                                                       |
| Package / Case               | 20-SOIC (0.295", 7.50mm Width)                                                                      |
| Supplier Device Package      | 20-SO                                                                                               |

## L4973D5.1 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## L4973D5.1 Payment Methods

## L4973D5.1 Shipping Methods

If you have any question about L4973D5.1, please do not hesitate to contact us!
