

**NCP6324CMTAATBG Information**

For Reference Only

**Part Number** [NCP6324CMTAATBG](#)  
**Manufacturer** ON Semiconductor  
**Category** Integrated Circuits (ICs)  
[PMIC - Voltage Regulators - DC DC Switching Regulators](#)  
**Description** IC REG BUCK ADJ 2A SYNC 8WDFN  
**Package** 8-WDFN Exposed Pad

| Series                       | -                                                                                                   |
| Function                     | Step-Down                                                                                           |
| Output Configuration         | Positive                                                                                            |
| Topology                     | Buck                                                                                                |
| Output Type                  | Adjustable                                                                                          |
| Number of Outputs            | 1                                                                                                   |
| Voltage - Input (Min)        | 2.5V                                                                                                |
| Voltage - Input (Max)        | 5.5V                                                                                                |
| Voltage - Output (Min/Fixed) | 0.6V                                                                                                |
| Voltage - Output (Max)       | 5.5V                                                                                                |
| Current - Output             | 2A                                                                                                  |
| Frequency - Switching        | 3MHz                                                                                                |
| Synchronous Rectifier        | Yes                                                                                                 |
| Operating Temperature        | -40°C ~ 85°C (TA)                                                                                   |
| Mounting Type                | Surface Mount                                                                                       |
| Package / Case               | 8-WDFN Exposed Pad                                                                                  |
| Supplier Device Package      | 8-WDFN (2x2)                                                                                        |

## NCP6324CMTAATBG Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## NCP6324CMTAATBG Payment Methods

## NCP6324CMTAATBG Shipping Methods

If you have any question about NCP6324CMTAATBG, please do not hesitate to contact us!
