

**RN50E1782BRE6 Information**

For Reference Only

**Part Number** [RN50E1782BRE6](#)  
**Manufacturer** Vishay Dale  
**Category** Resistors  
[Through Hole Resistors](#)  
**Description** RES 17.8K OHM 1/20W .1% AXIAL  
**Package** Axial

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**RN50E1782BRE6 Specifications**

|                          |                                                               |
|--------------------------|---------------------------------------------------------------|
| Manufacturer Part Number | <a href="#">RN50E1782BRE6</a>                                 |
| Manufacturer             | Vishay Dale                                                   |
| Category                 | Resistors                                                     |
|                          | <a href="#">Through Hole Resistors</a>                        |
| Package                  | Axial                                                         |
| Series                   | Military, MIL-R-10509/8, RN50                                 |
| Resistance               | 17.8 kOhms                                                    |
| Tolerance                | ±0.1%                                                         |
| Power (Watts)            | 0.05W, 1/20W                                                  |
| Composition              | Metal Film                                                    |
| Features                 | Flame Retardant Coating, Military, Moisture Resistant, Safety |
| Temperature Coefficient  | ±25ppm/°C                                                     |
| Operating Temperature    | -65°C ~ 175°C                                                 |
| Package / Case           | Axial                                                         |
| Supplier Device Package  | Axial                                                         |
| Size / Dimension         | 0.065" Dia x 0.150" L (1.65mm x 3.81mm)                       |
| Height - Seated (Max)    | -                                                             |
| Number of Terminations   | 2                                                             |
| Failure Rate             | -                                                             |
