

**TVA1573 Information**

For Reference Only

**Part Number** TVA1573  
**Manufacturer** Vishay Sprague  
**Category** Capacitors  
     Aluminum Electrolytic Capacitors  
**Description** 100UF 300V 28.58X53.98 85C AXI  
**Package** Axial, Can

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**TVA1573 Specifications**

|                                    |                                  |
|------------------------------------|----------------------------------|
| Manufacturer Part Number           | TVA1573                          |
| Manufacturer                       | Vishay Sprague                   |
| Category                           | Capacitors                       |
|                                    | Aluminum Electrolytic Capacitors |
| Package                            | Axial, Can                       |
| Series                             | TVA ATOM?                        |
| Capacitance                        | -                                |
| Tolerance                          | -                                |
| Voltage - Rated                    | -                                |
| ESR (Equivalent Series Resistance) | -                                |
| Lifetime @ Temp.                   | -                                |
| Operating Temperature              | -                                |
| Polarization                       | Polar                            |
| Applications                       | Audio                            |
| Ripple Current - Low Frequency     | -                                |
| Ripple Current - High Frequency    | -                                |
| Impedance                          | -                                |
| Lead Spacing                       | -                                |
| Size / Dimension                   | -                                |
| Height - Seated (Max)              | -                                |
| Surface Mount Land Size            | -                                |
| Mounting Type                      | Through Hole                     |
| Package / Case                     | Axial, Can                       |
