

**0907793002 Information**

For Reference Only

**Part Number** 0907793002  
**Manufacturer** Molex, LLC  
**Category** Connectors, Interconnects  
 Rectangular Connectors - Headers, Male Pins  
**Description** 1.27MM PF HDR LOPRO HT NAT .76AU  
**Package** -

| Pitch - Mating             | 0.050" (1.27mm)                                                          |
| Style                      | Board to Cable/Wire                                                      |
| Shrouding                  | Shrouded - 2 Wall                                                        |
| Number of Positions        | 6                                                                        |
| Number of Positions Loaded | All                                                                      |
| Number of Rows             | 1                                                                        |
| Row Spacing - Mating       | -                                                                        |
| Mounting Type              | Through Hole                                                             |
| Termination                | Solder                                                                   |
| Fastening Type             | Push-Pull                                                                |
| Contact Length - Mating    | -                                                                        |
| Contact Length - Post      | 0.130" (3.30mm)                                                          |
| Overall Contact Length     | -                                                                        |
| Insulation Height          | 0.252" (6.40mm)                                                          |
| Contact Shape              | Rectangular                                                              |
| Contact Finish - Mating    | Palladium-Nickel                                                         |

|                                   |                                           |
|-----------------------------------|-------------------------------------------|
| Contact Finish Thickness - Mating | 24µin (0.60µm)                            |
| Contact Finish - Post             | -                                         |
| Contact Material                  | Brass                                     |
| Insulation Material               | Polyamide (PA46), Nylon 4/6, Glass Filled |
| Features                          | Board Lock                                |
| Operating Temperature             | -40°C ~ 105°C                             |
| Ingress Protection                | -                                         |
| Material Flammability Rating      | UL94 V-0                                  |
| Insulation Color                  | Natural                                   |
|                                   | <a href="#">Report errors?</a>            |

## 0907793002 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.
