**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**0997020.WXN Specifications**

|                                   |  |
|-----------------------------------|--|
| Manufacturer Part Number          | <a href="#">0997020.WXN</a>                                |
| Manufacturer                      | Littelfuse Inc.  |
| Category                          | Circuit Protection<br><a href="#">Fuses</a>                |
| Package                           | Blade, Miniature   |
| Series                            | MINI? 997  |
| Fuse Type                         | Automotive   |
| Current Rating                    | 20A  |
| Voltage Rating - AC               | -  |
| Voltage Rating - DC               | 58V  |
| Response Time                     | Fast   |
| Package / Case                    | Blade, Miniature   |
| Mounting Type                     | Holder   |
| Breaking Capacity @ Rated Voltage | 1kA  |
| Melting I2t                       | 380  |
| Approvals                         | -  |
| Operating Temperature             | -40°C ~ 125°C  |
| Color                             | Yellow   |
| Size / Dimension                  | 0.429" L x 0.150" W x 0.346" H (10.90mm x 3.80mm x 8.80mm) |
