

**1-147747-7 Information**

For Reference Only

**Part Number** 1-147747-7  
**Manufacturer** TE Connectivity AMP Connectors  
**Category** Connectors, Interconnects  
[Rectangular Connectors - Headers, Receptacles, Female Sockets](#)  
**Description** 34 MODIV VRT DR SFMNT 30AU  
**Package** -

| Contact Type                      | Female Socket                                                                                              |
| Style                             | Board to Board or Cable                                                                                    |
| Number of Positions               | 34                                                                                                         |
| Number of Positions Loaded        | All                                                                                                        |
| Pitch - Mating                    | 0.100" (2.54mm)                                                                                            |
| Number of Rows                    | 2                                                                                                          |
| Row Spacing - Mating              | 0.100" (2.54mm)                                                                                            |
| Mounting Type                     | Surface Mount                                                                                              |
| Termination                       | Solder                                                                                                     |
| Fastening Type                    | Push-Pull                                                                                                  |
| Contact Finish - Mating           | Gold                                                                                                       |
| Contact Finish Thickness - Mating | 30µin (0.76µm)                                                                                             |
| Insulation Color                  | Black                                                                                                      |
| Insulation Height                 | 0.265" (6.73mm)                                                                                            |
| Contact Length - Post             | -                                                                                                          |
| Operating Temperature             | -65°C ~ 125°C                                                                                              |
| Material Flammability Rating      | -                                                                                                          |

|                        |                            |
|------------------------|----------------------------|
| Contact Finish - Post  | Tin-Lead                   |
| Mated Stacking Heights | -                          |
| Ingress Protection     | -                          |
| Features               | Board Lock, Pick and Place |
