

**1-1624200-2 Information**

For Reference Only

**Part Number** [1-1624200-2](#)  
**Manufacturer** TE Connectivity Passive Product  
**Category** Potentiometers, Variable Resistors  
[Rotary Potentiometers, Rheostats](#)  
**Description** POT 1K OHM 1W WIREWOUND LINEAR  
**Package** -  
 For the pricing/inventory/lead time, please contact us

| Category                 | Potentiometers, Variable Resistors<br><a href="#">Rotary Potentiometers, Rheostats</a> |
| Package                  | -                                                                                      |
| Series                   | RW, Citec                                                                              |
| Taper                    | Linear                                                                                 |
| Resistance (Ohms)        | 1k                                                                                     |
| Tolerance                | ±10%                                                                                   |
| Number of Gangs          | 1                                                                                      |
| Built in Switch          | None                                                                                   |
| Power (Watts)            | 1W                                                                                     |
| Temperature Coefficient  | ±100ppm/°C                                                                             |
| Number of Turns          | 1                                                                                      |
| Rotation                 | 295°                                                                                   |
| Adjustment Type          | User Defined                                                                           |
| Resistive Material       | Wirewound                                                                              |
| Termination Style        | Solder Lug                                                                             |
| Actuator Type            | Slotted                                                                                |
| Actuator Length          | 0.630" (16.00mm)                                                                       |
| Actuator Diameter        | 0.250" (6.35mm)                                                                        |
| Bushing Thread           | 3/8-32                                                                                 |
| Mounting Type            | Panel Mount                                                                            |

## 1-1624200-2 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## 1-1624200-2 Payment Methods

## 1-1624200-2 Shipping Methods

If you have any question about 1-1624200-2, please do not hesitate to contact us!
