

**1-1734798-6 Information**

For Reference Only

**Part Number** [1-1734798-6](#)  
**Manufacturer** TE Connectivity AMP Connectors  
**Category** Connectors, Interconnects  
[FFC, FPC \(Flat Flexible\) Connectors](#)  
**Description** CONN FPC BOTTOM 16POS 1.00MM R/A  
**Package** -

| Mounting Type                | Surface Mount, Right Angle                                                       |
| Connector/Contact Type       | Contacts, Bottom                                                                 |
| Number of Positions          | 16                                                                               |
| Pitch                        | 0.039" (1.00mm)                                                                  |
| Termination                  | Solder                                                                           |
| FFC, FCB Thickness           | 0.30mm                                                                           |
| Height Above Board           | 0.126" (3.20mm)                                                                  |
| Locking Feature              | -                                                                                |
| Cable End Type               | Straight                                                                         |
| Contact Material             | Phosphor Bronze                                                                  |
| Contact Finish               | Tin                                                                              |
| Housing Material             | Thermoplastic, Glass Filled                                                      |
| Actuator Material            | -                                                                                |
| Features                     | Solder Retention                                                                 |
| Voltage Rating               | 50V                                                                              |
| Operating Temperature        | -20°C ~ 85°C                                                                     |
| Material Flammability Rating | UL94 V-0                                                                         |

## 1-1734798-6 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## 1-1734798-6 Payment Methods
