Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## **105R-391J Specifications**

| Manufacturer Part Number  | 105R-391J                             |
|---------------------------|---------------------------------------|
| Manufacturer              | API Delevan Inc.                      |
| Category                  | Inductors, Coils, Chokes              |
|                           | Fixed Inductors                       |
| Package                   | 2-SMD, No Lead                        |
| Series                    | 105R                                  |
| Туре                      | -                                     |
| Material - Core           | Iron                                  |
| Inductance                | 390nH                                 |
| Tolerance                 | $\pm 5\%$                             |
| Current Rating            | 585mA                                 |
| Current - Saturation      | -                                     |
| Shielding                 | Unshielded                            |
| DC Resistance (DCR)       | 280 mOhm Max                          |
| Q @ Freq                  | 35 @ 25MHz                            |
| Frequency - Self Resonant | 185MHz                                |
| Ratings                   | -                                     |
| Operating Temperature     | -55°C ~ 125°C                         |
| Frequency - Test          | 25MHz                                 |
| Features                  | -                                     |
| Mounting Type             | Surface Mount                         |
| Package / Case            | 2-SMD, No Lead                        |
| Supplier Device Package   | -                                     |
| Size / Dimension          | 0.100" L x 0.100" W (2.54mm x 2.54mm) |
|                           |                                       |

| Height - Se | eated (Max) |  |
|-------------|-------------|--|
|-------------|-------------|--|

0.075" (1.91mm)

## 105R-391J Guarantees
