

**10TCE220MIL Information**

For Reference Only

**Part Number** [10TCE220MIL](#)  
**Manufacturer** Panasonic Electronic Components  
**Category** Capacitors  
[Tantalum - Polymer Capacitors](#)  
**Description** CAP TANT POLY 220UF 10V 2917  
**Package** 2917 (7343 Metric)

| Package                            | 2917 (7343 Metric)                                          |
| Series                             | POSCAP? TC                                                  |
| Capacitance                        | 220µF                                                       |
| Tolerance                          | ±20%                                                        |
| Voltage - Rated                    | 10V                                                         |
| Type                               | Molded                                                      |
| ESR (Equivalent Series Resistance) | 18 mOhm                                                     |
| Operating Temperature              | -55°C ~ 125°C                                               |
| Lifetime @ Temp.                   | 1000 Hrs @ 125°C                                            |
| Mounting Type                      | Surface Mount                                               |
| Package / Case                     | 2917 (7343 Metric)                                          |
| Size / Dimension                   | 0.287" L x 0.169" W (7.30mm x 4.30mm)                       |
| Height - Seated (Max)              | 0.118" (3.00mm)                                             |
| Lead Spacing                       | -                                                           |
| Manufacturer Size Code             | D3L                                                         |
| Features                           | General Purpose                                             |
