

**1330-64G Information**

For Reference Only

**Part Number** [1330-64G](#)  
**Manufacturer** API Delevan Inc.  
**Category** Inductors, Coils, Chokes  
[Fixed Inductors](#)  
**Description** FIXED IND 68UH 92MA 6.7 OHM SMD  
**Package** 2-SMD

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**1330-64G Specifications**

|                           |                                                             |
|---------------------------|-------------------------------------------------------------|
| Manufacturer Part Number  | <a href="#">1330-64G</a>                                    |
| Manufacturer              | API Delevan Inc.                                            |
| Category                  | Inductors, Coils, Chokes<br><a href="#">Fixed Inductors</a> |
| Package                   | 2-SMD                                                       |
| Series                    | 1330                                                        |
| Type                      | -                                                           |
| Material - Core           | Ferrite                                                     |
| Inductance                | 68µH                                                        |
| Tolerance                 | ±2%                                                         |
| Current Rating            | 92mA                                                        |
| Current - Saturation      | -                                                           |
| Shielding                 | Unshielded                                                  |
| DC Resistance (DCR)       | 6.7 Ohm Max                                                 |
| Q @ Freq                  | 35 @ 2.5MHz                                                 |
| Frequency - Self Resonant | 15MHz                                                       |
| Ratings                   | -                                                           |
| Operating Temperature     | -55°C ~ 105°C                                               |
| Frequency - Test          | 2.5MHz                                                      |
| Features                  | -                                                           |
| Mounting Type             | Surface Mount                                               |
| Package / Case            | 2-SMD                                                       |
| Supplier Device Package   | -                                                           |
| Size / Dimension          | 0.313" L x 0.115" W (7.95mm x 2.92mm)                       |

Height - Seated (Max)

0.145" (3.68mm)

## 1330-64G Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## 1330-64G Payment Methods

## 1330-64G Shipping Methods

If you have any question about 1330-64G, please do not hesitate to contact us!
