

## **1608730000 Information**

Heisener.com

Part Number 1608730000 Manufacturer Weidmuller

Category Connectors, Interconnects

Terminal Blocks - Din Rail, Channel

**Description** CONN TERM BLK FEED THRU 12-26AWG

Package -

For the pricing/inventory/lead time, please contact

# **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## 1608730000 Specifications

Manufacturer Part Number         1608730000           Manufacturer         Weidmuller           Category         Connectors, Interconnects           Terminal Blocks - Din Rail, Channel           Package         -           Series         Z           Type         Feed Through           Disconnect Type         -           Number of Positions         2           Number of Levels         1           Terminal - Width         5.0mm           Termination Style         Push In, Spring           Current - IEC         10A           Voltage - IEC         400V           Current - UL         10A           Voltage - UL         300V           Wire Gauge or Range - AWG         12-26 AWG           Wire Gauge or Range - mm²         2.5mm²           Features         Removable Diode           Color         Beige	•

### **1608730000 Guarantees**

#### **Quality Guarantees**

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### **Service Guarantees**

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## 1608730000 Payment Methods
