

### 170M6512 Information

For Reference Only

Part Number 170M6512 Manufacturer Eaton

Category Circuit Protection

Electrical, Specialty Fuses

**Description** FUSE SQUARE 800A 700VAC

Package Rectangular, Blade

### **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## 170M6512 Specifications

Manufacturer Part Number         170M6512           Manufacturer         Eaton           Category         Circuit Protection           Package         Rectangular, Blade           Series         -           Fuse Type         Square           Current Rating         800A           Voltage Rating - AC         700V           Voltage Rating - DC         -           Response Time         -           Applications         Electrical, Industrial           Features         Indicating           Class         -           Approvals         CSA, UR           Operating Temperature         -           Breaking Capacity @ Rated Voltage         200kA           Mounting Type         Holder           Package / Case         Rectangular, Blade           Size / Dimension         2.008" L x 2.992" W x 3.622" H (51.00mm x 76.00mm x 92.00mm)

#### 170M6512 Guarantees

#### **Quality Guarantees**

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### **Service Guarantees**

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

### 170M6512 Payment Methods
