## **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## 1810832 Specifications

| Manufacturer Part Number              | 1810832                                      |
|---------------------------------------|--|
| Manufacturer                          | Phoenix Contact                              |
| Category                              | Connectors, Interconnects                    |
|                                       | Terminal Blocks - Headers, Plugs and Sockets |
| Package                               | -  |
| Series                                | COMBICON PTSM                                |
| Туре                                  | Header, Female Sockets                       |
| Number of Positions                   | 7  |
| Positions Per Level                   | 7  |
| Number of Levels                      | 1  |
| Pitch                                 | 0.098" (2.50mm)                              |
| Header Orientation                    | 90°, Right Angle                             |
| Plug Wire Entry                       | -  |
| Termination Style                     | Solder                                       |
| Mounting Type                         | Through Hole                                 |
| Current - IEC                         | 6A   |
| Voltage - IEC                         | 200V   |
| Current - UL                          | 5A   |
| Voltage - UL                          | 150V   |
| Wire Gauge or Range - AWG             | -  |
| Wire Gauge or Range - mm <sup>2</sup> | -  |
| Color                                 | Black  |
| Operating Temperature                 | -  |
| Contact Mating Finish                 | Tin  |
|                                       |  |
