

**23J3K3E Information**

For Reference Only

**Part Number** [23J3K3E](#)  
**Manufacturer** Ohmite  
**Category** Resistors  
[Through Hole Resistors](#)  
**Description** RES 3.3K OHM 3W 5% AXIAL  
**Package** Axial

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**23J3K3E Specifications**

|                          |                                                     |
|--------------------------|-----------------------------------------------------|
| Manufacturer Part Number | <a href="#">23J3K3E</a>                             |
| Manufacturer             | Ohmite                                              |
| Category                 | Resistors<br><a href="#">Through Hole Resistors</a> |
| Package                  | Axial                                               |
| Series                   | 20                                                  |
| Resistance               | 3.3 kOhms                                           |
| Tolerance                | ±5%                                                 |
| Power (Watts)            | 3W                                                  |
| Composition              | Wirewound                                           |
| Features                 | Flame Retardant Coating, Safety                     |
| Temperature Coefficient  | ±30ppm/°C                                           |
| Operating Temperature    | -                                                   |
| Package / Case           | Axial                                               |
| Supplier Device Package  | Axial                                               |
| Size / Dimension         | 0.220" Dia x 0.516" L (5.60mm x 13.10mm)            |
| Height - Seated (Max)    | -                                                   |
| Number of Terminations   | 2                                                   |
| Failure Rate             | -                                                   |
