

**3110-24-002-13-00 Information**

For Reference Only

**Part Number** [3110-24-002-13-00](#)  
**Manufacturer** CNC Tech  
**Category** Connectors, Interconnects  
[Rectangular Connectors - Headers, Male Pins](#)  
**Description** CONN HEADER 0.079 24 POS  
**Package** -

| Connector Type             | Header                                                                                   |
| Contact Type               | Male Pin                                                                                 |
| Pitch - Mating             | 0.079" (2.00mm)                                                                          |
| Style                      | Board to Cable/Wire                                                                      |
| Shrouding                  | Shrouded - 4 Wall                                                                        |
| Number of Positions        | 24                                                                                       |
| Number of Positions Loaded | All                                                                                      |
| Number of Rows             | 2                                                                                        |
| Row Spacing - Mating       | 0.079" (2.00mm)                                                                          |
| Mounting Type              | Through Hole, Right Angle                                                                |
| Termination                | Solder                                                                                   |
| Fastening Type             | Latch Lock/Eject Hooks, Long                                                             |
| Contact Length - Mating    | -                                                                                        |
| Contact Length - Post      | 0.122" (3.10mm)                                                                          |
| Overall Contact Length     | -                                                                                        |
| Insulation Height          | 0.236" (6.00mm)                                                                          |
| Contact Shape              | Square                                                                                   |
| Contact Finish - Mating    | Gold                                                                                     |

|                                   |                                  |
|-----------------------------------|----------------------------------|
| Contact Finish Thickness - Mating | Flash                            |
| Contact Finish - Post             | -                                |
| Contact Material                  | Brass                            |
| Insulation Material               | Polybutylene Terephthalate (PBT) |
| Features                          | -                                |
| Operating Temperature             | -40°C ~ 105°C                    |
| Ingress Protection                | -                                |
| Material Flammability Rating      | UL94 V-0                         |
| Insulation Color                  | -                                |
| <a href="#">Report errors?</a>    |                                  |

### 3110-24-002-13-00 Guarantees

#### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

### 3110-24-002-13-00 Payment Methods

### 3110-24-002-13-00 Shipping Methods

If you have any question about 3110-24-002-13-00, please do not hesitate to contact us!
