

## 32-3575-16 Information

For Reference Only

**Part Number** [32-3575-16](#)  
**Manufacturer** Aries Electronics  
**Category** Connectors, Interconnects  
[Sockets for ICs, Transistors](#)  
**Description** CONN IC DIP SOCKET ZIF 32POS  
**Package** -

| Package                            | -                                                                         |
| Series                             | 57                                                                        |
| Type                               | DIP, ZIF (ZIP), 0.3" (7.62mm) Row Spacing                                 |
| Number of Positions or Pins (Grid) | 32 (2 x 16)                                                               |
| Pitch - Mating                     | 0.100" (2.54mm)                                                           |
| Contact Finish - Mating            | Nickel Boron                                                              |
| Contact Finish Thickness - Mating  | 50µin (1.27µm)                                                            |
| Contact Material - Mating          | Beryllium Nickel                                                          |
| Mounting Type                      | Through Hole                                                              |
| Features                           | Closed Frame                                                              |
| Termination                        | Solder                                                                    |
| Pitch - Post                       | 0.100" (2.54mm)                                                           |
| Contact Finish - Post              | Nickel Boron                                                              |
| Contact Finish Thickness - Post    | 50µin (1.27µm)                                                            |
| Contact Material - Post            | Beryllium Nickel                                                          |
| Housing Material                   | Polyphenylene Sulfide (PPS), Glass Filled                                 |
| Operating Temperature              | -                                                                         |
