

**4-103747-0-08 Information**

For Reference Only

**Part Number** [4-103747-0-08](#)  
**Manufacturer** TE Connectivity AMP Connectors  
**Category** Connectors, Interconnects  
[Rectangular Connectors - Headers, Male Pins](#)  
**Description** CONN HEADR BRKWAY .100 08POS STR  
**Package** -

| Contact Type               | Male Pin                                                                                 |
| Pitch - Mating             | 0.100" (2.54mm)                                                                          |
| Style                      | Board to Board or Cable                                                                  |
| Shrouding                  | Unshrouded                                                                               |
| Number of Positions        | 8                                                                                        |
| Number of Positions Loaded | All                                                                                      |
| Number of Rows             | 1                                                                                        |
| Row Spacing - Mating       | -                                                                                        |
| Mounting Type              | Through Hole                                                                             |
| Termination                | Solder                                                                                   |
| Fastening Type             | Push-Pull                                                                                |
| Contact Length - Mating    | 0.230" (5.84mm)                                                                          |
| Contact Length - Post      | 0.090" (2.29mm)                                                                          |
| Overall Contact Length     | 0.410" (10.41mm)                                                                         |
| Insulation Height          | 0.090" (2.29mm)                                                                          |
| Contact Shape              | Square                                                                                   |
| Contact Finish - Mating    | Gold                                                                                     |

|                                   |                                |
|-----------------------------------|--------------------------------|
| Contact Finish Thickness - Mating | 30μin (0.76μm)                 |
| Contact Finish - Post             | Tin-Lead                       |
| Contact Material                  | Copper Alloy                   |
| Insulation Material               | Thermoplastic                  |
| Features                          | -                              |
| Operating Temperature             | -65°C ~ 105°C                  |
| Ingress Protection                | -                              |
| Material Flammability Rating      | UL94 V-0                       |
| Insulation Color                  | Black                          |
