

**4-644456-9 Information**

For Reference Only

**Part Number** 4-644456-9  
**Manufacturer** TE Connectivity AMP Connectors  
**Category** Connectors, Interconnects  
     [Rectangular Connectors - Headers, Male Pins](#)  
**Description** CONN HEADER VERT 19POS .100 TIN  
**Package** -

| Connector Type             | Header                                                                                   |
| Contact Type               | Male Pin                                                                                 |
| Pitch - Mating             | 0.100" (2.54mm)                                                                          |
| Style                      | Board to Cable/Wire                                                                      |
| Shrouding                  | Unshrouded                                                                               |
| Number of Positions        | 19                                                                                       |
| Number of Positions Loaded | All                                                                                      |
| Number of Rows             | 1                                                                                        |
| Row Spacing - Mating       | -                                                                                        |
| Mounting Type              | Through Hole                                                                             |
| Termination                | Solder                                                                                   |
| Fastening Type             | -                                                                                        |
| Contact Length - Mating    | 0.295" (7.49mm)                                                                          |
| Contact Length - Post      | 0.110" (2.79mm)                                                                          |
| Overall Contact Length     | 0.505" (12.83mm)                                                                         |
| Insulation Height          | 0.100" (2.54mm)                                                                          |
| Contact Shape              | Square                                                                                   |
| Contact Finish - Mating    | Tin                                                                                      |

|                                   |                                |
|-----------------------------------|--------------------------------|
| Contact Finish Thickness - Mating | 150µin (3.81µm)                |
| Contact Finish - Post             | Tin                            |
| Contact Material                  | Copper Alloy                   |
| Insulation Material               | Thermoplastic                  |
| Features                          | -                              |
| Operating Temperature             | -55°C ~ 105°C                  |
| Ingress Protection                | -                              |
| Material Flammability Rating      | UL94 V-0                       |
| Insulation Color                  | Natural                        |
