## **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## 4302-392F Specifications

| Manufacturer Part Number  | 4302-392F                             |  |  |
|---------------------------|---------------------------------------|--|--|
| Manufacturer              | API Delevan Inc.                      |  |  |
| Category                  | Inductors, Coils, Chokes              |  |  |
|                           | Fixed Inductors                       |  |  |
| Package                   | 2-SMD                                 |  |  |
| Series                    | 4302                                  |  |  |
| Туре                      | -                                     |  |  |
| Material - Core           | Powdered Iron                         |  |  |
| Inductance                | 3.9µН                                 |  |  |
| Tolerance                 | $\pm 1\%$                             |  |  |
| Current Rating            | 265mA                                 |  |  |
| Current - Saturation      | -                                     |  |  |
| Shielding                 | Unshielded                            |  |  |
| DC Resistance (DCR)       | 2.1 Ohm Max                           |  |  |
| Q @ Freq                  | 30 @ 7.9MHz                           |  |  |
| Frequency - Self Resonant | 35MHz                                 |  |  |
| Ratings                   | -                                     |  |  |
| Operating Temperature     | -55°C ~ 125°C                         |  |  |
| Frequency - Test          | 7.9MHz                                |  |  |
| Features                  | -                                     |  |  |
| Mounting Type             | Surface Mount                         |  |  |
| Package / Case            | 2-SMD                                 |  |  |
| Supplier Device Package   | -                                     |  |  |
| Size / Dimension          | 0.115" L x 0.105" W (2.92mm x 2.66mm) |  |  |
|                           |                                       |  |  |
