

**5-6605425-6 Information**

For Reference Only

**Part Number** [5-6605425-6](#)  
**Manufacturer** TE Connectivity AMP Connectors  
**Category** Connectors, Interconnects  
[Modular Connectors - Jacks With Magnetics](#)  
**Description** CONN MAGJACK 1PORT 100 BASE-T  
**Package** -

| Series                   | Mag45                                                                                  |
| Connector Type           | RJ45                                                                                   |
| Number of Ports          | 1                                                                                      |
| Number of Rows           | 1                                                                                      |
| Applications             | 10/100 Base-T, AutoMDIX                                                                |
| Mounting Type            | Through Hole                                                                           |
| Orientation              | 90° Angle (Right)                                                                      |
| Termination              | Solder                                                                                 |
| Height Above Board       | 0.555" (14.10mm)                                                                       |
| LED Color                | Green, Yellow - Green, Yellow                                                          |
| Number of Cores per Jack | 4                                                                                      |
| Shielding                | Shielded, EMI Finger                                                                   |
| Features                 | Board Guide, Decoupling Capacitance                                                    |
| Tab Direction            | Down                                                                                   |
| Contact Material         | Phosphor Bronze                                                                        |
| Contact Finish           | Gold                                                                                   |
| Operating Temperature    | 0°C ~ 70°C                                                                             |
