

**511R-52J Information**

For Reference Only

**Part Number** 511R-52J  
**Manufacturer** API Delevan Inc.  
**Category** Inductors, Coils, Chokes  
     **Fixed Inductors**  
**Description** FIXED IND 20UH 195MA 2.5 OHM TH  
**Package** Axial

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**511R-52J Specifications**

|                           |                                                    |
|---------------------------|----------------------------------------------------|
| Manufacturer Part Number  | 511R-52J                                           |
| Manufacturer              | API Delevan Inc.                                   |
| Category                  | Inductors, Coils, Chokes<br><b>Fixed Inductors</b> |
| Package                   | Axial                                              |
| Series                    | 511R                                               |
| Type                      | Wirewound                                          |
| Material - Core           | Iron                                               |
| Inductance                | 20µH                                               |
| Tolerance                 | ±5%                                                |
| Current Rating            | 195mA                                              |
| Current - Saturation      | -                                                  |
| Shielding                 | Unshielded                                         |
| DC Resistance (DCR)       | 2.5 Ohm Max                                        |
| Q @ Freq                  | 75 @ 2.5MHz                                        |
| Frequency - Self Resonant | 30MHz                                              |
| Ratings                   | -                                                  |
| Operating Temperature     | -55°C ~ 105°C                                      |
| Frequency - Test          | 2.5MHz                                             |
| Features                  | -                                                  |
| Mounting Type             | Through Hole                                       |
| Package / Case            | Axial                                              |
| Supplier Device Package   | -                                                  |
| Size / Dimension          | 0.156" Dia x 0.375" L (3.96mm x 9.53mm)            |

## 511R-52J Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## 511R-52J Payment Methods

## 511R-52J Shipping Methods

If you have any question about 511R-52J, please do not hesitate to contact us!
