

### **520.04 Information**

Heisener.com

For Reference Only

Part Number 520.04 Manufacturer E-Switch Category Switches

Pushbutton Switches

**Description** SWITCH PUSH SPST-NO 0.01A 35V

Package -

## **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

# **520.04 Specifications**

Manufacturer Part Number         520.04           Manufacturer         E-Switch           Category         Switches           Package         -           Series         520           Type         Standard           Circuit         SPST-NO           Switch Function         Off-Mom           Current Rating         10mA (DC)           Voltage Rating - AC         -           Voltage Rating - DC         35V           Actuator Type         Plunger for Cap           Color - Actuator/Cap         -           Illumination Type, Color         -           Illumination Voltage (Nominal)         -           Mounting Type         Through Hole           Termination Style         PC Pin           Ingress Protection         -           Features         -           Panel Cutout Dimensions         -		
Category         Switches           Package         -           Series         520           Type         Standard           Circuit         SPST-NO           Switch Function         Off-Mom           Current Rating         10mA (DC)           Voltage Rating - AC         -           Voltage Rating - DC         35V           Actuator Type         Plunger for Cap           Color - Actuator/Cap         -           Illumination Type, Color         -           Illumination Voltage (Nominal)         -           Mounting Type         Through Hole           Termination Style         PC Pin           Ingress Protection         -           Features         -           Panel Cutout Dimensions         -	Manufacturer Part Number	520.04

#### **520.04 Guarantees**

#### **Quality Guarantees**

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### **Service Guarantees**

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.
