

## 5KP64A-HR Information

For Reference Only

**Part Number** [5KP64A-HR](#)  
**Manufacturer** Littelfuse Inc.  
**Category** Circuit Protection  
[TVS - Diodes](#)  
**Description** TVS DIODE 64VWM 103VC AXIAL  
**Package** P600, Axial

## Certified Quality

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## 5KP64A-HR Specifications

|                                  |                              |
|----------------------------------|------------------------------|
| Manufacturer Part Number         | <a href="#">5KP64A-HR</a>    |
| Manufacturer                     | Littelfuse Inc.              |
| Category                         | Circuit Protection           |
|                                  | <a href="#">TVS - Diodes</a> |
| Package                          | P600, Axial                  |
| Series                           | 5KP-HR                       |
| Type                             | Zener                        |
| Unidirectional Channels          | 1                            |
| Bidirectional Channels           | -                            |
| Voltage - Reverse Standoff (Typ) | 64V                          |
| Voltage - Breakdown (Min)        | 71.1V                        |
| Voltage - Clamping (Max) @ Ipp   | 103V                         |
| Current - Peak Pulse (10/1000µs) | 49.5A                        |
| Power - Peak Pulse               | 5000W (5kW)                  |
| Power Line Protection            | No                           |
| Applications                     | General Purpose              |
| Capacitance @ Frequency          | -                            |
| Operating Temperature            | -55°C ~ 175°C (TA)           |
| Mounting Type                    | Through Hole                 |
| Package / Case                   | P600, Axial                  |
| Supplier Device Package          | P600                         |
