**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**7108SHZBE Specifications**

|                                |                                 |
|--------------------------------|---------------------------------|
| Manufacturer Part Number       | <a href="#">7108SHZBE</a>       |
| Manufacturer                   | C&K                             |
| Category                       | Switches                        |
|                                | <a href="#">Toggle Switches</a> |
| Package                        | -                               |
| Series                         | 7000                            |
| Circuit                        | SPDT                            |
| Switch Function                | On-Mom                          |
| Current Rating                 | 0.4VA (AC/DC)                   |
| Voltage Rating - AC            | 20V                             |
| Voltage Rating - DC            | 20V                             |
| Actuator Type                  | Standard Round                  |
| Actuator Length                | 10.67mm                         |
| Illumination                   | Non-Illuminated                 |
| Illumination Type, Color       | -                               |
| Illumination Voltage (Nominal) | -                               |
| Mounting Type                  | Panel Mount                     |
| Termination Style              | Solder Lug                      |
| Panel Cutout Dimensions        | Circular - 6.35mm Dia           |
| Bushing Thread                 | 1/4-40                          |
| Ingress Protection             | -                               |
| Features                       | Epoxy Sealed Terminals          |
