

**715P10454LD3 Information**

www.heisener.com

For Reference Only

**Part Number** [715P10454LD3](#)  
**Manufacturer** Cornell Dubilier Electronics (CDE)  
**Category** Capacitors  
[Film Capacitors](#)  
**Description** CAP FILM 0.1UF 5% 400VDC RADIAL  
**Package** Radial

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**715P10454LD3 Specifications**

|                                    |                                                       |
|------------------------------------|-------------------------------------------------------|
| Manufacturer Part Number           | <a href="#">715P10454LD3</a>                          |
| Manufacturer                       | Cornell Dubilier Electronics (CDE)                    |
| Category                           | Capacitors<br><a href="#">Film Capacitors</a>         |
| Package                            | Radial                                                |
| Series                             | Orange Drop? 715P                                     |
| Capacitance                        | 0.1µF                                                 |
| Tolerance                          | ±5%                                                   |
| Voltage Rating - AC                | 200V                                                  |
| Voltage Rating - DC                | 400V                                                  |
| Dielectric Material                | Polypropylene (PP), Metallized                        |
| ESR (Equivalent Series Resistance) | -                                                     |
| Operating Temperature              | -55°C ~ 85°C                                          |
| Mounting Type                      | Through Hole                                          |
| Package / Case                     | Radial                                                |
| Size / Dimension                   | 0.480" Dia x 1.252" L (12.20mm x 31.80mm)             |
| Height - Seated (Max)              | 0.791" (20.10mm)                                      |
| Termination                        | PC Pins                                               |
| Lead Spacing                       | 0.720" (18.30mm)                                      |
| Applications                       | High Frequency, Switching; High Pulse, DV/DT; Snubber |
| Features                           | -                                                     |

## 715P10454LD3 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## 715P10454LD3 Payment Methods

## 715P10454LD3 Shipping Methods

If you have any question about 715P10454LD3, please do not hesitate to contact us!
