|--------------------------------|---------------------------------------------|
| Manufacturer Part Number       | <a href="#">7201L1PYCQE</a>                 |
| Manufacturer                   | C&K                                         |
| Category                       | Switches<br><a href="#">Toggle Switches</a> |
| Package                        | -                                           |
| Series                         | 7000                                        |
| Circuit                        | DPDT                                        |
| Switch Function                | On-On                                       |
| Current Rating                 | 5A (AC/DC)                                  |
| Voltage Rating - AC            | 120V                                        |
| Voltage Rating - DC            | 28V                                         |
| Actuator Type                  | Anti-Rotation                               |
| Actuator Length                | 16.26mm                                     |
| Illumination                   | Non-Illuminated                             |
| Illumination Type, Color       | -                                           |
| Illumination Voltage (Nominal) | -                                           |
| Mounting Type                  | Panel Mount                                 |
| Termination Style              | PC Pin                                      |
| Panel Cutout Dimensions        | Circular - 6.35mm Dia                       |
| Bushing Thread                 | 1/4-40                                      |
| Ingress Protection             | -                                           |
| Features                       | Epoxy Sealed Terminals                      |
