**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**7213J51ZQE11 Specifications**

|                                |                                       |
|--------------------------------|---------------------------------------|
| Manufacturer Part Number       | <a href="#">7213J51ZQE11</a>          |
| Manufacturer                   | C&K                                   |
| Category                       | Switches                              |
|                                | <a href="#">Rocker Switches</a>       |
| Package                        | -                                     |
| Series                         | 7000                                  |
| Circuit                        | SP3T                                  |
| Switch Function                | On-On-Mom                             |
| Current Rating                 | 5A (AC/DC)                            |
| Voltage Rating - AC            | 120V                                  |
| Voltage Rating - DC            | 28V                                   |
| Actuator Type                  | Concave (Standard V)                  |
| Color - Actuator/Cap           | White                                 |
| Actuator Marking               | No Marking                            |
| Illumination Type, Color       | -                                     |
| Illumination Voltage (Nominal) | -                                     |
| Mounting Type                  | Panel Mount, Snap-In                  |
| Termination Style              | Solder Lug                            |
| Ingress Protection             | -                                     |
| Features                       | Jumper needed to achieve triple throw |
| Panel Cutout Dimensions        | Rectangular - 15.24mm x 12.70mm       |
