

**74HC259N,652 Information**

For Reference Only

**Part Number** [74HC259N,652](#)  
**Manufacturer** NXP  
**Category** Integrated Circuits (ICs)  
[Logic - Latches](#)  
**Description** IC ADDRESSABLE LATCH 8BIT 16DIP  
**Package** 16-DIP (0.300", 7.62mm)

| Package                    | 16-DIP (0.300", 7.62mm)                                      |
| Series                     | 74HC                                                         |
| Logic Type                 | D-Type, Addressable                                          |
| Circuit                    | 1:8                                                          |
| Output Type                | Standard                                                     |
| Voltage - Supply           | 2 V ~ 6 V                                                    |
| Independent Circuits       | 1                                                            |
| Delay Time - Propagation   | 17ns                                                         |
| Current - Output High, Low | 5.2mA, 5.2mA                                                 |
| Operating Temperature      | -40°C ~ 125°C                                                |
| Mounting Type              | Through Hole                                                 |
| Package / Case             | 16-DIP (0.300", 7.62mm)                                      |
| Supplier Device Package    | 16-DIP                                                       |

## 74HC259N,652 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## 74HC259N,652 Payment Methods

## 74HC259N,652 Shipping Methods

If you have any question about 74HC259N,652, please do not hesitate to contact us!
