

**8-6609959-8 Information**

For Reference Only

**Part Number** 8-6609959-8  
**Manufacturer** TE Connectivity Corcom Filters  
**Category** Connectors, Interconnects  
**Power Entry Connectors - Inlets, Outlets, Modules**  
**Description** PWR ENT MOD RCPT IEC320-C14 PNL  
**Package** -

| Connector Style              | IEC 320-C14                                                                           |
| Connector Type               | Receptacle, Male Blades - Module                                                      |
| Current - IEC                | 10A                                                                                   |
| Voltage - IEC                | 120VAC                                                                                |
| Current - UL                 | 10A                                                                                   |
| Voltage - UL                 | 250VAC                                                                                |
| Filter Type                  | Filtered (EMI, RFI) - Commercial                                                      |
| Fuse                         | Yes                                                                                   |
| Number of Positions          | 3                                                                                     |
| Mounting Type                | Panel Mount, Flange                                                                   |
| Termination                  | Quick Connect - 0.187" (4.7mm)                                                        |
| Switch Features              | -                                                                                     |
| Features                     | Conversion Clip, Interconnection Block, Shielded, Voltage Selector                    |
| Fuse Holder, Drawer          | Fuse Holder                                                                           |
| Panel Cutout Dimensions      | Rectangular - 28.45mm x 54.10mm                                                       |
| Panel Thickness              | -                                                                                     |
| Material Flammability Rating | -                                                                                     |
| Ingress Protection           | -                                                                                     |

**8-6609959-8 Guarantees****Quality Guarantees**

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

**Service Guarantees**

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

**8-6609959-8 Payment Methods****8-6609959-8 Shipping Methods**

If you have any question about 8-6609959-8, please do not hesitate to contact us!
