

**800-10-060-10-002101 Information**

For Reference Only

**Part Number** [800-10-060-10-002101](#)  
**Manufacturer** Preci-Dip  
**Category** Connectors, Interconnects  
[Rectangular Connectors - Headers, Male Pins](#)  
**Description** CONN HDR 60POS 0.100 T/H  
**Package** -

| Row Spacing - Mating       | -                                                                                        |
| Mounting Type              | Through Hole                                                                             |
| Termination                | Solder                                                                                   |
| Fastening Type             | Push-Pull                                                                                |
| Contact Length - Mating    | 0.141" (3.60mm)                                                                          |
| Contact Length - Post      | 0.118" (3.00mm)                                                                          |
| Overall Contact Length     | 0.385" (9.77mm)                                                                          |
| Insulation Height          | 0.116" (2.95mm)                                                                          |
| Contact Shape              | Circular                                                                                 |
| Contact Finish - Mating    | Gold                                                                                     |

|                                   |                                                                           |
|-----------------------------------|---------------------------------------------------------------------------|
| Contact Finish Thickness - Mating | 10μin (0.25μm)                                                            |
| Contact Finish - Post             | Gold                                                                      |
| Contact Material                  | Brass                                                                     |
| Insulation Material               | Polycyclohexylenedimethylene Terephthalate (PCT), Polyester, Glass Filled |
| Features                          | -                                                                         |
| Operating Temperature             | -55°C ~ 125°C                                                             |
| Ingress Protection                | -                                                                         |
| Material Flammability Rating      | UL94 V-0                                                                  |
| Insulation Color                  | Black                                                                     |
| <a href="#">Report errors?</a>    |                                                                           |

## 800-10-060-10-002101 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## 800-10-060-10-002101 Payment Methods

## 800-10-060-10-002101 Shipping Methods

If you have any question about 800-10-060-10-002101, please do not hesitate to contact us!
