

**8532-08L Information**

For Reference Only

**Part Number** [8532-08L](#)  
**Manufacturer** API Delevan Inc.  
**Category** Inductors, Coils, Chokes  
[Fixed Inductors](#)  
**Description** FIXED IND 3.9UH 4.56A 17 MOHM  
**Package** Nonstandard

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**8532-08L Specifications**

|                           |                                                             |
|---------------------------|-------------------------------------------------------------|
| Manufacturer Part Number  | <a href="#">8532-08L</a>                                    |
| Manufacturer              | API Delevan Inc.                                            |
| Category                  | Inductors, Coils, Chokes<br><a href="#">Fixed Inductors</a> |
| Package                   | Nonstandard                                                 |
| Series                    | 8532                                                        |
| Type                      | -                                                           |
| Material - Core           | Ferrite                                                     |
| Inductance                | 3.9µH                                                       |
| Tolerance                 | ±15%                                                        |
| Current Rating            | 4.56A                                                       |
| Current - Saturation      | 3.2A                                                        |
| Shielding                 | Unshielded                                                  |
| DC Resistance (DCR)       | 17 mOhm Max                                                 |
| Q @ Freq                  | -                                                           |
| Frequency - Self Resonant | -                                                           |
| Ratings                   | -                                                           |
| Operating Temperature     | -55°C ~ 125°C                                               |
| Frequency - Test          | 1kHz                                                        |
| Features                  | -                                                           |
| Mounting Type             | Surface Mount                                               |
| Package / Case            | Nonstandard                                                 |
| Supplier Device Package   | -                                                           |
| Size / Dimension          | 0.860" L x 0.320" W (21.84mm x 8.12mm)                      |

Height - Seated (Max)

0.286" (7.26mm)

## 8532-08L Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## 8532-08L Payment Methods

## 8532-08L Shipping Methods

If you have any question about 8532-08L, please do not hesitate to contact us!
