

# 926141-01-14-EU

#### 926141-01-14-EU Information

### **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## 926141-01-14-EU Specifications

| Manufacturer Part Number   | 926141-01-14-EU                             |
|----------------------------|---------------------------------------------|
| Manufacturer               | 3M                                          |
| Category                   | Connectors, Interconnects                   |
|                            | Rectangular Connectors - Headers, Male Pins |
| Package                    | -                                           |
| Series                     | 929                                         |
| Connector Type             | Header, Breakaway                           |
| Contact Type               | Male Pin                                    |
| Pitch - Mating             | 0.100" (2.54mm)                             |
| Style                      | Board to Board                              |
| Shrouding                  | Unshrouded                                  |
| Number of Positions        | 14                                          |
| Number of Positions Loaded | All                                         |
| Number of Rows             | 1                                           |
| Row Spacing - Mating       | -                                           |
| Mounting Type              | Through Hole                                |
| Termination                | Solder                                      |
| Fastening Type             | Push-Pull                                   |
| Contact Length - Mating    | 0.428" (10.87mm)                            |
| Contact Length - Post      | 0.100" (2.54mm)                             |
| Overall Contact Length     | 0.628" (15.95mm)                            |
| Insulation Height          | 0.100" (2.54mm)                             |
| Contact Shape              | Square                                      |
| Contact Finish - Mating    | Gold                                        |
|                            |                                             |

| Contact Finish Thickness - Mating | 10µin (0.25µm)                                   |                |
|-----------------------------------|--------------------------------------------------|----------------|
| Contact Finish - Post             | Gold                                             |                |
| Contact Material                  | Copper Alloy                                     |                |
| Insulation Material               | Polycyclohexylenedimethylene Terephthalate (PCT) |                |
| Features                          | -                                                |                |
| Operating Temperature             | $-40^{\circ}C \sim 105^{\circ}C$                 |                |
| Ingress Protection                | -                                                |                |
| Material Flammability Rating      | UL94 V-0                                         |                |
| Insulation Color                  | Black                                            |                |
|                                   |                                                  | Report errors? |

### 926141-01-14-EU Guarantees

Quality Guarantees

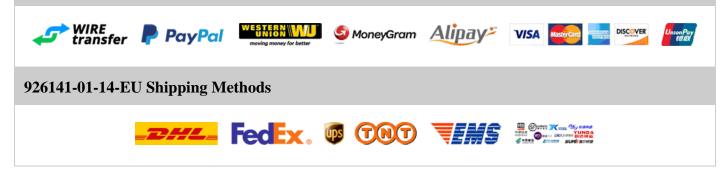

We provide 90 days warranty. \* If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### Service Guarantees

We guarantee 100% customer satisfaction. Our experienced sales team and tech support team back our services to satisfy all our customers.

### 926141-01-14-EU Payment Methods
