

### **A22JH Information**

For Reference Only

Part Number A22JH

Manufacturer NKK Switches

Category Switches
Toggle Switches

**Description** SWITCH TOGGLE DPDT 0.4VA 28V

Package -

For the pricing/inventory/lead time, please contact

### **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

# **A22JH Specifications**

Manufacturer Part Number         A22JH           Manufacturer         NKK Switches           Category         Switches           Package         -           Series         A           Circuit         DPDT           Switch Function         On-On           Current Rating         0.4VA (AC/DC)           Voltage Rating - AC         28V           Voltage Rating - DC         28V           Actuator Type         Standard Round           Actuator Length         6.30mm           Illumination         Non-Illuminated           Illumination Type, Color         -           Illumination Voltage (Nominal)         -           Mounting Type         Through Hole, Right Angle           Termination Style         PC Pin           Panel Cutout Dimensions         -           Bushing Thread         Unthreaded, Square           Ingress Protection         -           Features         Process Sealed

### **A22JH Guarantees**

#### **Quality Guarantees**

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### **Service Guarantees**

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

### **A22JH Payment Methods**

## **A22JH Shipping Methods**

If you have any question about A22JH, please do not hesitate to contact us!
