

**A22L-CR-T1-10A Information**

For Reference Only

**Part Number** [A22L-CR-T1-10A](#)  
**Manufacturer** Omron Automation and Safety  
**Category** Switches  
                   [Pushbutton Switches](#)  
**Description** SWITCH PUSH SPST-NO 10A 110V  
**Package** -

| Package                        | -                                   |
| Series                         | A22                                 |
| Type                           | Standard, Illuminated               |
| Circuit                        | SPST-NO                             |
| Switch Function                | Off-On                              |
| Current Rating                 | 10A (AC/DC)                         |
| Voltage Rating - AC            | 110V                                |
| Voltage Rating - DC            | 24V                                 |
| Actuator Type                  | Square, Button                      |
| Color - Actuator/Cap           | Red                                 |
| Illumination Type, Color       | LED, Red                            |
| Illumination Voltage (Nominal) | 110 VAC                             |
| Mounting Type                  | Panel Mount, Front                  |
| Termination Style              | Screw Terminal                      |
| Ingress Protection             | IP65 - Dust Tight, Water Resistant  |
| Features                       | Voltage Reduction Lighting          |
| Panel Cutout Dimensions        | Circular - 22.30mm Dia              |
| <a href="#">Report errors?</a> |                                     |

## A22L-CR-T1-10A Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.
