|------------------------------------|---------------------------------------|
| Manufacturer                       | Abracon LLC                           |
| Category                           | Crystals, Oscillators, Resonators     |
|                                    | Crystals                              |
| Package                            | 4-SMD, No Lead                        |
| Series                             | ABM11W                                |
| Туре                               | MHz Crystal                           |
| Frequency                          | 33.868MHz                             |
| Frequency Stability                | ±10ppm                                |
| Frequency Tolerance                | ±10ppm                                |
| Load Capacitance                   | 8pF                                   |
| ESR (Equivalent Series Resistance) | 80 Ohm                                |
| Operating Mode                     | Fundamental                           |
| Operating Temperature              | $-40^{\circ}C \sim 125^{\circ}C$      |
| Ratings                            | -                                     |
| Mounting Type                      | Surface Mount                         |
| Package / Case                     | 4-SMD, No Lead                        |
| Size / Dimension                   | 0.079" L x 0.063" W (2.00mm x 1.60mm) |
| Height - Seated (Max)              | 0.020" (0.50mm)                       |
