

**ADA4851-4YRUZ-RL7 Information**

For Reference Only

**Part Number** [ADA4851-4YRUZ-RL7](#)  
**Manufacturer** Analog Devices Inc.  
**Category** Integrated Circuits (ICs)  
[Linear - Amplifiers - Instrumentation, OP Amps, Buffer Amps](#)  
**Description** IC OPAMP VFB 105MHZ RRO 14TSSOP  
**Package** 14-TSSOP (0.173", 4.40mm Width)

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**ADA4851-4YRUZ-RL7 Specifications**

|                                         |                                                                                                          |

| Amplifier Type                          | Voltage Feedback                                                                                         |
| Number of Circuits                      | 4                                                                                                        |
| Output Type                             | Rail-to-Rail                                                                                             |
| Slew Rate                               | 375 V/ $\mu$ s                                                                                           |
| Gain Bandwidth Product                  | -                                                                                                        |
| -3db Bandwidth                          | 105MHz                                                                                                   |
| Current - Input Bias                    | 2.2 $\mu$ A                                                                                              |
| Voltage - Input Offset                  | 600 $\mu$ V                                                                                              |
| Current - Supply                        | 2.9mA                                                                                                    |
| Current - Output / Channel              | 83mA                                                                                                     |
| Voltage - Supply, Single/Dual ( $\pm$ ) | 2.7 V ~ 12 V, $\pm$ 1.35 V ~ 6 V                                                                         |
| Operating Temperature                   | -40°C ~ 125°C                                                                                            |
| Mounting Type                           | Surface Mount                                                                                            |
| Package / Case                          | 14-TSSOP (0.173", 4.40mm Width)                                                                          |
| Supplier Device Package                 | 14-TSSOP                                                                                                 |

## ADA4851-4YRUZ-RL7 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## ADA4851-4YRUZ-RL7 Payment Methods

## ADA4851-4YRUZ-RL7 Shipping Methods

If you have any question about ADA4851-4YRUZ-RL7, please do not hesitate to contact us!
