

**ADC101S101CIMFX/NOPB Information**

For Reference Only

**Part Number** [ADC101S101CIMFX/NOPB](#)  
**Manufacturer** Texas Instruments  
**Category** Integrated Circuits (ICs)  
[Data Acquisition - Analog to Digital Converters \(ADC\)](#)  
**Description** ADC 10BIT 1CH 1MSPS SOT23-6  
**Package** SOT-23-6

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**ADC101S101CIMFX/NOPB Specifications**

|                            |                                                                                                    |
|----------------------------|----------------------------------------------------------------------------------------------------|
| Manufacturer Part Number   | <a href="#">ADC101S101CIMFX/NOPB</a>                                                               |
| Manufacturer               | Texas Instruments                                                                                  |
| Category                   | Integrated Circuits (ICs)<br><a href="#">Data Acquisition - Analog to Digital Converters (ADC)</a> |
| Package                    | SOT-23-6                                                                                           |
| Series                     | -                                                                                                  |
| Number of Bits             | 10                                                                                                 |
| Sampling Rate (Per Second) | 1M                                                                                                 |
| Number of Inputs           | 1                                                                                                  |
| Input Type                 | Single Ended                                                                                       |
| Data Interface             | SPI, DSP                                                                                           |
| Configuration              | S/H-ADC                                                                                            |
| Ratio - S/H:ADC            | 1:1                                                                                                |
| Number of A/D Converters   | 1                                                                                                  |
| Architecture               | SAR                                                                                                |
| Reference Type             | Supply                                                                                             |
| Voltage - Supply, Analog   | 2.7 V ~ 5.25 V                                                                                     |
| Voltage - Supply, Digital  | 2.7 V ~ 5.25 V                                                                                     |
| Features                   | -                                                                                                  |
| Operating Temperature      | -40°C ~ 85°C                                                                                       |
| Package / Case             | SOT-23-6                                                                                           |
| Supplier Device Package    | SOT-23-6                                                                                           |
| Mounting Type              | -                                                                                                  |

## ADC101S101CIMFX/NOPB Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## ADC101S101CIMFX/NOPB Payment Methods

## ADC101S101CIMFX/NOPB Shipping Methods

If you have any question about ADC101S101CIMFX/NOPB, please do not hesitate to contact us!
