

**AMN32112 Information**

For Reference Only

**Part Number** [AMN32112](#)  
**Manufacturer** Panasonic Electric Works  
**Category** Sensors, Transducers  
[Motion Sensors, Detectors](#)  
**Description** SENSOR SLIGHT MOTION 5V WHT LEN  
**Package** Cylinder

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**AMN32112 Specifications**

|                                |  |
|--------------------------------|--|
| Manufacturer Part Number       | <a href="#">AMN32112</a>                     |
| Manufacturer                   | Panasonic Electric Works                     |
| Category                       | Sensors, Transducers                         |
|                                | <a href="#">Motion Sensors, Detectors</a>    |
| Package                        | Cylinder                                     |
| Series                         | NaPiOn?                                      |
| Sensor Type                    | Motion, Pyroelectric, PIR (Passive Infrared) |
| Sensing Distance               | 78.7" (2m) 6.6'                              |
| Output Type                    | Digital                                      |
| Voltage - Supply               | 3 V ~ 6 V                                    |
| Trigger Type                   | Internal                                     |
| Features                       | Polyethylene, White Lens                     |
| Package / Case                 | Cylinder                                     |
| Operating Temperature          | -20°C ~ 60°C (TA)                            |
