

**ANT-868-CHP-T Information**

For Reference Only

**Part Number** [ANT-868-CHP-T](#)  
**Manufacturer** Linx Technologies Inc.  
**Category** RF/IF and RFID  
[RF Antennas](#)  
**Description** ANTENNA CHIP 868MHZ CERAMIC SMD  
**Package** -  
 For the pricing/inventory/lead time, please contact us

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**ANT-868-CHP-T Specifications**

|                          |                                               |
|--------------------------|-----------------------------------------------|
| Manufacturer Part Number | <a href="#">ANT-868-CHP-T</a>                 |
| Manufacturer             | Linx Technologies Inc.                        |
| Category                 | RF/IF and RFID<br><a href="#">RF Antennas</a> |
| Package                  | -                                             |
| Series                   | CHP                                           |
| Frequency Group          | UHF (300 MHz ~ 1 GHz)                         |
| Frequency (Center/Band)  | 868MHz                                        |
| Frequency Range          | 863MHz ~ 873MHz                               |
| Antenna Type             | Chip                                          |
| Number of Bands          | 1                                             |
| VSWR                     | 2                                             |
| Return Loss              | -                                             |
| Gain                     | 0.5dBi                                        |
| Power - Max              | 3W                                            |
| Features                 | -                                             |
| Termination              | Solder                                        |
| Ingress Protection       | -                                             |
| Mounting Type            | Surface Mount                                 |
| Height (Max)             | 0.067" (1.70mm)                               |
| Applications             | Bluetooth, Wi-Fi, Zigbee?                     |
