**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**AQW414 Specifications**

|                           |                                    |
|---------------------------|------------------------------------|
| Manufacturer Part Number  | <a href="#">AQW414</a>             |
| Manufacturer              | Panasonic Electric Works           |
| Category                  | Relays                             |
|                           | <a href="#">Solid State Relays</a> |
| Package                   | 8-DIP (0.300", 7.62mm)             |
| Series                    | PhotoMOS? AQW                      |
| Circuit                   | DPST (2 Form B)                    |
| Output Type               | AC, DC                             |
| On-State Resistance (Max) | 50 Ohm                             |
| Load Current              | 100mA                              |
| Voltage - Input           | 1.14VDC                            |
| Voltage - Load            | 0 ~ 400 V                          |
| Mounting Type             | Through Hole                       |
| Termination Style         | PC Pin                             |
| Package / Case            | 8-DIP (0.300", 7.62mm)             |
| Supplier Device Package   | 8-DIP                              |
| Relay Type                | Relay                              |
