**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**AQZ104 Specifications**

|                           |                                              |
|---------------------------|----------------------------------------------|
| Manufacturer Part Number  | <a href="#">AQZ104</a>                       |
| Manufacturer              | Panasonic Electric Works                     |
| Category                  | Relays<br><a href="#">Solid State Relays</a> |
| Package                   | 4-SIP                                        |
| Series                    | PhotoMOS? AQZ                                |
| Circuit                   | SPST-NO (1 Form A)                           |
| Output Type               | DC                                           |
| On-State Resistance (Max) | 1.6 Ohm                                      |
| Load Current              | 700mA                                        |
| Voltage - Input           | 1.16VDC                                      |
| Voltage - Load            | 0 ~ 400 V                                    |
| Mounting Type             | Through Hole                                 |
| Termination Style         | PC Pin                                       |
| Package / Case            | 4-SIP                                        |
| Supplier Device Package   | 4-SIL                                        |
| Relay Type                | Relay                                        |
