**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**BBS-105-G-C Specifications**

|                            |  |
|----------------------------|--|
| Manufacturer Part Number   | <a href="#">BBS-105-G-C</a>  |
| Manufacturer               | Samtec Inc.  |
| Category                   | Connectors, Interconnects<br><a href="#">Rectangular Connectors - Headers, Male Pins</a> |
| Package                    | -  |
| Series                     | BBS  |
| Connector Type             | Header   |
| Contact Type               | Male Pin   |
| Pitch - Mating             | 0.100" (2.54mm)  |
| Style                      | Board to Board   |
| Shrouding                  | Unshrouded   |
| Number of Positions        | 5  |
| Number of Positions Loaded | All  |
| Number of Rows             | 1  |
| Row Spacing - Mating       | -  |
| Mounting Type              | Through Hole   |
| Termination                | Solder   |
| Fastening Type             | Push-Pull  |
| Contact Length - Mating    | 0.125" (3.18mm)  |
| Contact Length - Post      | 0.125" (3.18mm)  |
| Overall Contact Length     | 0.835" (21.21mm)   |
| Insulation Height          | 0.585" (14.86mm)   |
| Contact Shape              | Circular   |
| Contact Finish - Mating    | Gold   |

|                                   |                                |
|-----------------------------------|--------------------------------|
| Contact Finish Thickness - Mating | 20µin (0.51µm)                 |
| Contact Finish - Post             | Nickel                         |
| Contact Material                  | -                              |
| Insulation Material               | Polyester, Glass Filled        |
| Features                          | -                              |
| Operating Temperature             | -55°C ~ 125°C                  |
| Ingress Protection                | -                              |
| Material Flammability Rating      | -                              |
| Insulation Color                  | Black                          |
|                                   | <a href="#">Report errors?</a> |
