

### **BCS-114-L-D-DE-005 Information**

Heisener.com

For Reference Only

Part Number BCS-114-L-D-DE-005

Manufacturer Samtec Inc.

**Category** Connectors, Interconnects

Rectangular Connectors - Headers, Receptacles,

Female Sockets

**Description** BOX CONNECTOR SOCKET STRIP

Package -

| Series                            | Tiger Claw? BCS                                                 |
| Connector Type                    | Receptacle, Bottom or Top Entry                                 |
| Contact Type                      | Female Socket                                                   |
| Style                             | Board to Board                                                  |
| Number of Positions               | 28                                                              |
| Number of Positions Loaded        | 27                                                              |
| Pitch - Mating                    | 0.100" (2.54mm)                                                 |
| Number of Rows                    | 2                                                               |
| Row Spacing - Mating              | 0.100" (2.54mm)                                                 |
| Mounting Type                     | Through Hole                                                    |
| Termination                       | Solder                                                          |
| Fastening Type                    | Push-Pull                                                       |
| Contact Finish - Mating           | Gold                                                            |
| Contact Finish Thickness - Mating | 10μin (0.25μm)                                                  |
| Insulation Color                  | Black                                                           |
| Insulation Height                 | 0.290" (7.37mm)                                                 |
| Contact Length - Post             | 0.120" (3.05mm)                                                 |
| Operating Temperature             | -55°C ~ 125°C                                                   |
| Material Flammability Rating      | UL94 V-0                                                        |

| Contact Finish - Post  | Tin            |
|------------------------|----------------|
| Mated Stacking Heights | -              |
| Ingress Protection     | -              |
| Features               | -              |
|                        | Report errors? |

### **BCS-114-L-D-DE-005 Guarantees**

#### **Quality Guarantees**

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### **Service Guarantees**

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.
